CERTIFICATION:

IIT-M Pravartak Certified Full Stack Development Course With AI Tools

---

SUMMARY:

React developer skilled in building responsive and scalable web applications using React, JavaScript, and REST APIs. Experienced in component-based architecture, UI development, and real-world API integration. Eager to contribute to high-impact frontend projects.

SKILLS:

- **Frontend:** HTML, CSS, JavaScript, React, Tailwind CSS.
- **Backend:** Node.js, Express.js.
- **Database:** MongoDB, MySQL.
- **Tools:** GitHub, System Design, AWS.
- **Deployment:** Netlify, Render.

PROJECTS:

Hotel Booking App
Built a full-stack hotel booking application using React (frontend) and Node.js + Express (backend). Features include room listings, dynamic routing, and REST API integration.
